

DeLauria Middle School Boys and Girls Basketball Packet

2019-2020 School Year

Mr. Skinner Returning as Girls' Coach and Mr. Frankenfield Returning as Boys' Coach

If your son/daughter is interested in trying out for the DeLauria basketball team, this packet must be completed *in its entirety* in order to participate in the tryout process. If any part of the packet is missing, incomplete, lacking signatures, etc. it will be returned and your child will not be permitted to participate until it is complete. We are bound by FHSAA rules for sports, so please read carefully below before filling out the packet as we do not wish to delay your child's participation due to incomplete or missing information. Please be aware that basketball tryouts start the second week of school, so it would be best to get physicals in the summer before school starts.

- Students must have at least a 2.0 GPA for the last semester of the 2018-2019 school year in order to participate in a school sport.
- The student cannot have turned 15 before September 1, 2019. If he/she turns 15 after that date, they are eligible for the entire year.
- EL2 Sports Physicals and EL3 Parent Consent and Release form are good for exactly 365 days.

When completing this packet, please pay close attention to the following as these are the most common errors resulting in forms being returned:

*****EL2 Sports Physical Forms*** Please note these MUST be on the EL2 forms provided in the packet; school physicals and/or physicals performed for other sports (such as Pop Warner) are not acceptable per FHSAA guidelines.**

- **Page 1** must be completed and signed by BOTH a parent/guardian AND the student.
- **Page 2** MUST be completed by a licensed doctor, nurse practitioner, physician's assistant, or chiropractor. It must be ***stamped and signed*** by the health professional as well.
- **Page 3** more than likely will be left blank as that is only used if the physician performing the physical needs to refer the student to another doctor.

If any part of the EL2 is missing, incomplete, or not signed, the packet will be returned.

*****EL3 Parent Consent and Release Forms*****

- **Page 1** Read Part 2 carefully. If you write a sport on that line, you are excluding your child from participating in that sport. This line is usually left blank
- **Page 1** Under Part G, you MUST provide both the ***medical insurance company name AND the policy number***. Students are required to be insured in order to participate in a school sport. If you do not have medical insurance, policies can be purchased through <https://schoolinsuranceofflorida.com> for a reasonable cost. If this information is missing, the packet will be returned.
- **Pages 1, 2, 3, 4** At least one parent/guardian AND the student must sign and date ***all four pages***. If any signatures are missing, the packet will be returned.

When this packet is complete, please turn into the front office and they will make sure I get it. Thank you!
