# SCHOOL-WIDE Positive Behavioral Interventions & Supports (PBIS)

According to research, “one of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include ***proactive strategies*** for **defining, teaching, and supporting.**

PBS is a behavior management system used to prevent challenging behaviors from occurring by encouraging and rewarding positive behavior.

All staff teach students each of the expectations. Based on these expectations we have developed agreements for all common areas. These agreements serve as guidelines for behavior. Our focus is on rewarding students for good behavior. Inappropriate behavior will be addressed with corrective strategies as necessary.

## HEALTH SAFETY

### Clinic

The school has a clinic staffed by a nurse for students who are sick or injured. Parents are called if students are unable to return to class after some time in the clinic. These students should be checked out of school as there are no facilities available for children who are ill and possibly contagious. Your prompt response to this notification is appreciated.

### Medication

**STUDENTS ARE NOT PERMITTED TO BRING ANY TYPE OF MEDICINE TO SCHOOL.** This includes, but is not limited to aspirin, antihistamines, or cough drops. Medicine can only be given in the clinic with **written authorization** of the physician and parent or guardian. **Medication must be transported by the parent or guardian** to the clinic and be contained in the original prescription bottle.

Parents are encouraged to work out, **IN ADVANCE**, a rainy day transportation plan with their children. A mutual understanding between parent, child, and school will allow for a smooth transition during inclement weather. Rainy Day Plan Forms will be provided to you at the beginning of the school year. Be prepared for rain during the first week of school. Car traffic increases on rainy days. Please be patient and follow the directions of school personnel.

### BREVARD COUNTY “30-30 RULE”

If the time between lightning and hearing thunder is **thirty (30) seconds or less**, the outdoor activity (including dismissal) shall be suspended immediately, and staff **MUST** wait **thirty (30) minutes or more** before allowing students to leave proper shelter.

## TRANSPORTATION

**Please Note:** Transportation changes cannot be made over the phone.

**Car Riders** Please refer to the October calendar page/map for procedures.

### **Bicycles and Scooters**

- Bicycles/scooters **MAY NOT BE RIDDEN ON SCHOOL SIDEWALKS AT ANY TIME**. All students must walk their bike or scooter at all times on campus.
- Walk bicycles/scooters across busy streets and obey crossing guards and safety patrols. No jay walking.
- **Bicycle helmets are required by law**. Children riding bikes to school must wear a helmet.
- To prevent theft, all bikes must be locked during the school day. Parents are strongly encouraged to register bicycle ID numbers and descriptions with the Police Department prior to the start of school. Missing or stolen bicycles should be reported to the Melbourne Police Department.

## Bus Transportation

Bus transportation will be provided to all children who live more than 2 miles from the school. Students must be registered with transportation services in order to ride a bus.

1. Vehicle traffic will **NOT** be allowed in the bus lane in front of the school between 7:30 - 8:15 a.m. and 2:00 - 2:45 p.m. (12:45 - 1:45 p.m. on Early Release Days). This will ensure safety for all while the buses and vans are loading and unloading students.
2. The rules governing bus transportation can be found on the district website at [www.brevardschools.org/Page/17037](http://www.brevardschools.org/Page/17037). It is important that parents read and discuss the rules of the bus behavior standards with their children. Bus evacuation drills are conducted on campus once each semester.

## Suspension From Bus Transportation

The same behavior that is expected in school is expected on the bus. Students receiving a discipline referral from the bus will be given corrective strategies which correlate with the district-wide discipline plan.

# WE VOLUNTEERS

## Registered Volunteer Process

If you are interested in volunteering, please complete an online application. You will then proceed to the Office of District and School Security located in the School Board Building in Viera where you will complete your fingerprinting and payment. Fingerprinting hours are Monday through Friday from 8:00 a.m. to 4:00 p.m.

Registered Volunteer Cost - \*Current prices include an initial payment of \$35 and an annual renewal fee of \$8.00 (\*Fees are being waived at the time of this printing.)

## Visitor and Volunteer Information

Volunteers play an important role in the daily operations of Brevard Public Schools. We appreciate all the help our volunteers give our students, teachers, and schools. There are many ways to help; Registered Volunteers are welcome to come on campus to read with students, chaperone on field trips, support in the classroom with activities, and utilize our workroom to help with teacher projects, sorting fundraiser orders, and more. Please register as a volunteer early in the school year so you don't miss any opportunities to help!

Croton Elementary welcomes all visitors and volunteers onto the campus with proper identification. Anyone wishing to be on school property during school hours **must use their Driver License/State ID** to sign in at the front office. A system was put into place by the Brevard Public School District that conducts a National Sex Offender Registry at sign-in. This is in direct response to the community's request for improved security in our schools. To ensure the safety of our children, all visitors and volunteers must undergo certain safety checks. A badge with the visitor/volunteer's legal name will be printed to be worn on an upper garment visible to staff and students. This safety requirement is in place so that School Staff are aware of who is on campus

at all times. According to School Board Policy po8475, visitors must be escorted on campus at all times. Due to staff working with students, visitor opportunities are limited.

To complete the online application, please visit the Volunteer Information Page on the Croton Website. You can find it under: Parents & Students... Parents... "How do I volunteer?"

## Encouraging Good Attendance

**Help** your child get into the habit and learn the value of regular routines.

**Bedtime routines** are important to develop healthy sleep patterns. Sleep deprivation negatively affects academic performance by impairing concentration and cognitive functions. You can help your children fall asleep by sticking to a healthy bedtime routine like:

- Take a bath and brush teeth
- Snuggle up and relax under a blanket
- Read books together

**Teach** your child that attending school is non-negotiable unless they are truly sick.

**Build** relationships with other families and discuss how you can help each other out (e.g., drop off or pick up children or babysitting) in times of need or emergencies.

**Identify** non-academic activities (drama, art, music, etc.) that can help motivate your child's interest in school and learning.

**Screen time** may have a harmful impact on your child's sleep habits. Even calm videos can disrupt a child's sleep. Make bedrooms device-free zones and keep off screens at least 30 to 60 minutes before bedtime.

## Attendance Counts

**Attendance/Absence Procedures** In order for students to receive quality instruction, it is essential that they attend school and are on time each day. The importance of regular school attendance is emphasized by the Florida Compulsory School Attendance Law and Brevard Public Schools' Board Rules. School attendance is the responsibility of the parent and student. Students may not be absent more than **nine days** in a

semester in order to be promoted to the next grade level.

**Excused Absences** Excused absences include a doctor's visit, court appearance, or religious holiday; in order to be excused, appropriate documentation is required. Students who remain absent without proper authorization will be referred to the Attendance Resource Officer. Parents are requested to call the office before 8:30 a.m. to report their child absent from school.
