

Mission: To Serve Every Student with Excellence as the Standard.

Vision: Brevard Public Schools will serve our community and enhance students' lives by delivering the highest quality education in a culture of dedication, collaboration, and learning.

Dear Gemini Families,

It is a distinct honor and my sincere pleasure to introduce myself as Gemini's Principal. I am excited to continue my educational partnership with this dynamic learning community of amazing students, talented teachers and staff, supportive parents, and engaged community members. Together, we will continue to take care of our most valuable resource...our children!

My educational career spans 14 years with Brevard Public schools (BPS). In this time, I served for eight years as a classroom teacher and five years as an Assistant Principal. I am proud of my accomplishments along the way including building positive relationships, supporting students' social-emotional needs, increasing student achievement results, implementing innovative 21st century learning, and ensuring continuous learning for all. I have been recognized as BPS Teacher of the Year in 2007 and 2010 and BPS Assistant Principal of the Year Finalist in 2016.

Children are my number one priority. I strive to provide shared leadership opportunities where we consistently collaborate and make well informed decisions. Always focused on what is in the best interest of ***all*** students. I look forward to working together as we provide our students with a safe, nurturing learning environment and numerous opportunities to learn and grow.

Yours in Education,

Jennifer Julian
