

PRACTICE SCIENCE SKILLS + ENTER TO WIN COOL PRIZES!

Students in Grades 3-6 are encouraged to participate.

Here's what to do...

On their Launchpad, students complete lessons in

As students complete lessons, they earn points. Lessons can be done at school or at home, and can be completed up to 3 times to achieve mastery (while still earning points).

As lessons are completed, students will earn points and unlock challenge items. A Leaderboard will keep track of the top point earners in each grade level.
