### **PTO Board Position Request**

The PTO is currently seeking parent volunteers to fill PTO board positions. We are looking for motivated parents with exciting new ideas to fill these positions for the 2024-2025 school year.

What is the PTO? We are a group of teachers and parents that work together to ensure that Port Malabar Elementary staff and students get the support they need. Through financial help (fundraisers), input, and school events we work together to make every student's learning experience at Port Malabar Elementary the best it can be!

Please consider an open position. If you are interested in joining the board or if you have any questions concerning positions and their responsibilities, please contact:

Thank you,

Port Malabar PTO Nominating Committee

Several of the current PTO board members have plans to return next year.
