PRINCIPAL NEWLETTER APRIL 2021

Dear Roosevelt Parents and Community Members,

Welcome to April!

April is the month we began our Florida Standards Assessments (FSA). Here are a few reminders related to FSA:

- 3rd Grade will be taking their FSA Reading on April 6th and April 7th. Grades 4th through 6th will be taking their FSA Writing on April 6th. We ask parents to help us out by not scheduling appointments on these days. This helps us to ensure that kiddos can focus their attention on doing their personal best.
- A humungous THANK YOU!!! to parents who agreed to have their eLearners test with their brick & mortar classes!!! I truly appreciate you all for doing this!!!
- Make sure your little ones get a good night's sleep the night before their assessments and eat a healthy breakfast the day of the FSA. This is also a great way to ensure that kiddos can do their personal best!!

Your child(ren)'s teachers have provided the direct instruction in grade level standards. Your kiddos in grades 3rd through 6th have worked diligently to learn these standards. FSA is just one way we assess mastery. Thank you in advance for working with us in our testing endeavors!

Happy April!!!!
 Sincerely,
 Dr. Humphrey

eLearning Reminder

There have been questions regarding the intent of eLearning as a learning option for students. Please note eLearning was created to:

- give parents with concerns about COVID-19 an alternate learning option for their students for the year.
- give parents an alternate learning option for students who are quarantined by Brevard Public Schools for reasons related to COVID-19.

All other scenarios related to attendance are viewed and addressed based on policy and procedures that have always been in place for BPS.
