

Parents, Time to Speak Up!

Join parents here and around the country & tell us what you think!

Deadline: March 5, 2021

What is your top **concern about technology use?**

Should all students have **access to technology in class?**

How do you keep up-to-date on **information from teachers, schools, and the district?**

Takes just 20 minutes!

Update the steps based on your selected access link. Below you will find the steps using a district link.

1. Go to <https://Speakup.Tomorrow.org/D/CPTH>
2. Select your school from the dropdown list.
3. Select the "Parent" option under survey type, then select your grade level from the list of surveys or "CommunityMember" if you do not have a child in school.
4. Read the instructions and begin Speak Up!

How should students & teachers use technology?

All responses are secure and kept confidential.

Speak Up Research Project is a research project from Project Tomorrow. It is a free, annual process with more than 5.7 million participants since 2003. Speak Up is an easy way for students, parent, educators and members of the community to share their opinions on technology and learning and more. Visit <https://tomorrow.org/SpeakUp>
