

Keyboarding Challenge

Students in grades 3-6 have been working toward a keyboarding challenge in Media. Students are using Typing.com to learn, practice, and improve keyboarding skills.

Students are recognized for their success with dog tags at the completion of the beginning, intermediate, and advanced levels.

Keyboarding WPM Goals:

Grade 3: 15 WPM

Grade 4: 20 WPM

Grade 5: 25 WPM

Grade 6: 30 WPM

With 90% Accuracy on the End Assessment

Students are welcome to practice at home and are encouraged to sign into their TYPING.COM account.
