Welcome to Summer 2019!

It was a busy year where dedication and new beginnings were celebrated! It was also wonderful to be part of second semester where building relationships with the faculty, staff, our kids and you were my priority. I look forward to much more time and the privilege of working with an outstanding team all the way around. I’d like to thank those who make this all possible: our office staff, bus drivers, café staff, custodial staff, child care staff and especially our amazing teachers. We certainly wouldn’t be here today without their commitment to our kids each day. Every one of these individuals is passionate about making a positive impact on the lives of our students.

Before we say good-bye to 2018-2019 school year lets celebrate a few more accomplishments!

Congratulations to Mrs. Diana Adams for being named Social Studies Teacher of the Year for all of Brevard County. Mrs. Adams is a driven, life-long learner who seeks opportunities that will improve student achievement, and strengthen her skills in and out of the classroom. No one is more deserving of this recognition.

6th grade Exhibition was outstanding. After weeks of practice and hard work the final production was such a statement to what it means to be an IB Student. I found myself feeling emotional, excited and proud throughout the entire evening. Thank you to the 6th grade team, Mrs. Francik, our enrichment teachers, and all others who supported this important day. May they all feel our support and guidance as they “Move on” to the next level. The sky’s the limit for them.

We have officially identified the face of our new eagle mascot. The eagle has been a long standing symbol in Freedom 7’s history and by being recognized as a two time recipient as a Blue Ribbon School of National Excellence. All classes voted and chose this one hands down. We will continue to tweak the final design before returning in the fall. Thank you Mrs. Burch (and team) for helping this vision come to print.

Wishing you all wonderful summer days ahead... permission to read books that are not on any reading list...to eat foods that aren't good for you... to make messes... build forts... play basketball... and leave yourself some room to be surprised.

The 3rd Grade Science Fair Was A Success!

The students really enjoyed sharing their projects with the judges, classmates and parents. Thank you to the Dr. Shaykhian, Mr. Wubbena, and Mrs. Obermeit for taking the time to share your expertise and helping the students on their journey of discovery.

Dear Freedom 7 Family,

Thank you all for a wonderful school year! We have had some terrific learning experiences, shared community events and wonderful celebrations! Thank you for sharing your children with us and allowing us to be a small part of their life journey. For those moving on from Freedom 7, we wish you all the luck! 6th graders going out into the world will change lives, I know it! For all of those returning in the fall, we look forward to another awesome school year soon!

Be well; enjoy time with family, friends and loved ones.

Warmly,
Lucy Haddock Ed.D.
