Assistant Principal

Principal's Message

Dear Parents,

Today is the last day for new applications to be submitted online in order to be included in the lottery for the 2019-2020 school year. If you know of anyone interested in attending Freedom 7, please share this information and get the word out that busing is back for our choice schools.

December is upon us! The change in weather this past week has helped to get us into the holiday spirit. Our holiday shows will be held during the next two weeks. December 4th for 2nd and 3rd grade and December 11th for 4-6th grades. Both shows are from 5-6:00. We hope to see you there.

The APT Holiday Breakfast will be part of our general meeting on December 7th at 9:00 in the cafeteria. All parents are invited to attend if available. Come celebrate the season with us, as we show our appreciation for you.

The Children's Home Society holiday gift drive is underway. The tree in the front office has ornaments with information to help you buy a gift. Thank you for supporting this community outreach.

Have a great weekend!

Warm Regards,
Mrs. Zimmerman

Holiday Toy Drive for Children's Home Society

November 26th-December 14th

Spread holiday cheer to those in need! Hundreds of kids in our local community find themselves with nothing during the holiday season. Through our help, along with the Children's Home Society, we can bring the joy and magic of the season to life with gifts for children in Brevard.

Ornaments hanging from trees will be located in the CFI and front office. These ornaments will have specific gift wishes from children that you can take and make their wishes a reality. Please keep the ornaments with the gift when you turn them in so it can be given to the right child. All gifts should remain unwrapped and will be collected in the classrooms, then taken to the cafeteria December 12th. Thank you for your support, and together we can make holidays magical!

Arranged by Former Freedom 7 Student Farrah Muwalla for Senior Project

Would you like to be a Science Fair Judge?

If you are interested in judging Science Fair projects this year, please complete the form at the link below:

<https://goo.gl/forms/JTAi0FPE2CMdQQe62>

Requirements to be a judge:

- All day availability (8:15-3:15) on January 15th and/or 17th
- Knowledge in the area of Physical, Biological, and/or Physical Science
- Willingness to talk with students about their projects and ask question
- Willingness to use a rubric and help select winners

Questions can be directed to Mrs. Smith: smith.julie@brevardschools.org
