

Welcome!

I am the proud director of one of the best adult education programs in the state! When I took over this program in 2012, I pledged to make it best! And we are well on our way! We pride ourselves on top notch customer service, quality instruction and assistance in your career goals. You can register at any time. We have day, night and online classes to fit your busy schedule. In addition to a GED prep program, we have a fully accredited high school program for adults.

Over the next year, we are expanding! We are introducing adult vocational training to include automotive and culinary. We also have short-term training in the areas of Microsoft and advanced manufacturing. We want to get you ready to make a significant impact on the local economy.

And I want to hear from you! If you have an idea or suggestion that will help us reach our goals and to better serve you, please let me know! Call me at 321-633-3662 or connect with me on Twitter @JefferyArnott

Welcome to our family! We are here to make your dreams come alive! Follow us on Facebook, Twitter and Instagram at @BrevardAdultEd and see our programs for yourself!

Educationally yours,

Jeffery C. Arnott
