

# WSUN NEWS TEAM Contract

I understand that I must have grades no lower than a “C” on any progress report (Report Card/Interim), and all satisfactories or higher in behavior. If I should drop below C/satisfactory at any time, or if my teacher recommends it, I can be placed on Probation and temporarily removed from the WSUN News Team until such time that my score(s)/behavior improve to the required level.

I understand that a WSUN News Team member must be a biker, walker or car rider.

I understand that I cannot be both a patrol AND a WSUN News Team member. If I agreed to be a Patrol first, I cannot quit that job for the purpose of joining the news crew.

I understand that if I know in advance I will be absent on a day I’m scheduled to work, it is my responsibility to tell my supervisor, and to make sure someone has been scheduled to take my place.

I understand that 3 unexcused absences, or 6 absences (including excused) total may result in my removal from the WSUN News Team.

I understand that if I quit the WSUN News Team and remain a student at Sunrise, I will not be allowed to return to the news crew.

I understand that if I am a Supervisor, I can be replaced at the discretion of the teacher.

I understand that when I am in the TV Studio or TV Production room, I must behave like a professional, treating both people and equipment with respect at all times.

I know and understand my responsibilities as a WSUN News Team member.

I asked questions about anything I didn’t understand before signing this contract.
