Shade for Sabal!

Have you noticed Sabal BIG thermometer on our front fence? Administration is working with our PTO to help raise money for a shade cover for our blacktop. With Florida’s harmful UV rays, we want to provide a cooler option on these sweltering days. Profits from our fundraisers, dances, t-shirt orders, etc. are going towards this long term goal. If you know of any sponsors that would be able to help with this effort, please have them contact the front office.

Benefiting Brevard Public Schools

Compact for Learning

How can the Sabal Learning Compact be used at home? The compact is an agreement between Parents, Students, and Teachers including what each partner is expected to do in the quest to achieve academic success. Parents can utilize this document to remind their students about the responsibility they agreed to in regards to their academic performance when completing homework, school projects, or setting academic goals. Referring to this document on a regular basis can help parents keep their child’s academic progress and focus on track.
