New Business

Fall Conferences to be held virtually on Nov 5. PTO is in need of grab and go type food donations for the teachers for dinner.

Virtual open house at both schools was successful.

Mr. Ward has graciously offered to host the PTO book fair as volunteers are not allowed on campus.

Primary virtual book fair was a success.

PTO is looking for community partners. Businesses that would sponsor teacher meals that are usually provided for back to school breakfast, conference night dinner, Holiday time cheer. These events are funded with PTO funds raised in events such as track or treat, and off campus events. Without the ability to host these events we are in need of help from area businesses, parent owned businesses, etc.

Fall yearbook is a big fundraiser, teachers and parents of online students please take pictures and submit to appropriate school for yearbooks.

Fall fundraiser for PTO will be virtual Otis Spunkmyer cookie dough and holiday catalog. 40% of sales returned to the PTO.

Meeting minutes from August motion to approve Michelle Tucker, second Sarah Barnett
