Donuts With Dads/Dudes

How did the strawberry DONUT feel after eating dinner? JAM-PACKED....and that's exactly what we witnessed at the 'Donuts with Dads/Dudes' Event held on September 24/27, 2019. If the PTO ever sees another DONUT again, it will be too soon! However, we were so happy to give our students the opportunity to show their appreciation to all the male role models that influence their lives.
