Message from the Principal...

Welcome back all of our Sabal families! We hope you all had a wonderful summer! We have a few new faces at Sabal: Jeanette Rodriguez joins our kindergarten team with 11 years teaching experience, Stacy Shultz and Kristi Finamore join our third grade team. Kathleen Toland transferred to our school to teach fourth grade and we welcome Jessa Celestini to our fourth grade team as well. Alisha Gentry and Janis Bowen join our ESE team. These ladies are excited to get to know our children and begin their year.

As many of you know, Wawa put in a bid to purchase a portion of our property and were going to purchase a hardtop shade structure and playground equipment as part of the sale of property. However, Wawa has backed out of this agreement. The good news is that we keep our property, however, the bad news is that we still are in need of a shaded structure for our hardtop. PTO will be helping the school raise funds for this much needed structure.

We look forward to another great year!

Sincerely,
Stephanie Hall

APTT-SAVE THE DATE

We will continue having our *Academic Parent-Teacher Teams (APTT) meetings*, which is a more effective model for developing parent-teacher partnerships to better support your student's learning.

Parents and teachers will be meeting three times a year, this includes two team meetings where all the families will come together and one 30-minute individual meeting that allows the teacher to provide you and your child one-on-one time.

It is critical to attend these important meetings so we can plan how to work together to support your student's learning. Childcare and translation will be available.
