PTO News

Have you downloaded the SHOPAROO App yet? Fundraising is a crucial part to helping our school with purchases that the school budget doesn't cover. This year Sabal PTO is looking at new opportunities to raise money for our School's needs without spreading the dreaded "Fundraiser Burnout" SHOPAROO, like our Box Tops For Education Fundraiser, will run all year long. With SHOPAROO you simply take a photo of your daily receipts. Each receipt earns points for our school which is then turned into cash for Sabal. It doesn't cost anything and no extra purchases are required. It just simply gives us points from things you're already buying.

Any questions email Selena at Sabalpto@gmail.com

Clinic News

Head Lice is common among all classes of people. You can control a head lice infestation with manual removal alone. You cannot completely control head lice with head lice shampoos alone. You must combine shampoo treatment with manual removal.

Facts according to the American Academy of Pediatrics :

- Most cases of head lice are acquired outside of school
- Head lice does not cause any medical harm
- Head lice are transmitted by head to head contact.

If you have any questions on how to prevent or treat head lice please contact your child's doctor or the clinic.

Positive Behavior Support
