### Message from the Principal...

It is that time of year again, summertime!! 2018-2019 has been a wonderful school year! As I have walked through classroom's this year I have seen so many engaged, hardworking students. They have all really put an amazing effort into their work this year. I am so proud of you all!

Thank YOU parents for pushing and supporting your children to do there best! I ask that you continue to encourage your children over summer. Take them to the public library to read or any other educational activities. Most importantly I ask that you spend time with your families and make many beautiful memories this summer!

Thank you to all our exceptional staff members for yet another successful year. Your hard work and dedication does not go unnoticed. I appreciate you all so much!

Our summer office hours are Monday– Thursday  
7:00am-3:00pm

Wishing you all a blessed summer with your family and friends!

Sincerely,  
Stephanie Hall

### Summer Reading

Parents, don't let your child fall victim to the summer slide. Studies show that children can lose one to three months of learning over the summer. Please be on the lookout for a summer reading packet that teachers will be sending home with your child's report card. Information in the packet will help your child sustain and make academic gains this summer. Depending on your child's grade level, students may have access to myON, iReady, and various reading challenges and resources this summer. Don't sweat it...you can make summer reading fun for your child!
