WE are thrilled to present our CMS Spring Concerts:

Please join us as we celebrate our Award Winning Music Program here at Central Middle School! We are "loud and proud" on behalf of our musicians and directors!

Wed, May 8th – Orchestra Concert

@ Heritage HS @ 7pm - Works featured: Best of Queen, Stairway to Heaven, Pirates of the Caribbean and more!

Thurs, May 9th – Band Concert @ Heritage HS @ 7pm

Friday, May 10th – Chorus Concert @ Heritage HS @ 7pm

The Brevard All-County Jazz Band featured 3 musicians from the CMS Jazz band. The performance was April 13th at the King Center Black Box Theatre. Representing CMS was *Nicholas Plewak* on Bari Saxophone, *Marcanthony Carreon* on Trumpet, and *Joshua Belanger* on Bass Trombone. Congratulations to them for auditioning into this honors ensemble.

The **CMS Jazz Band** performed at the Field of Dreams band shell on Friday, April 26th. This was in conjunction with the West Melbourne Parks and Recreation Food Truck Friday Event. The weather was beautiful and the bands were phenomenal. Look for future events on the Parks Website.

**CMS
AWARDS
CEREMONY
WEDNESDAY,
MAY 22**

Please join us at 7:00pm to celebrate our outstanding student body and all of their successes this year. Students will be earning awards for Achievement and Citizenship from our faculty and staff.

In March, the CMS Intermediate band performed in its first ever Music Performance Assessment and received a solid **Excellent** rating from the panel of judges. The Advanced band also performed and was one of only four bands to receive a **Superior** Rating and this year's Music Performance Assessment. *Congratulations to both fine groups of musicians.*

Also, Central Middle School Orchestra was awarded a **Phoenix Foundation Morning** Glow Grant to purchase 6 new violins.

The CMS music department would like to thank Central Middle School and its community for its generous support during our recent Vidalia Onion fundraiser. Money raised is an integral part in ensuring the highest quality music educational experience for our students. **Saturday May 4th, we receive our Onions for distribution.** Thanks again for your support!

The safety and security of every single student is always our priority. If you are unsure about our policies, please refer to the **planner** or feel free to contact Mr. Ramirez or Mrs. Higham. Cell phones must be turned off and not be visible during the school Day, that is 9:00 until 4:15!

Odyssey of the "Central" Mind

Odyssey of the Mind is a creative problem solving competition. The challenge this year was to build a ride on vehicle that fit in a suitcase and could be assembled, disassembled, and reassembled to complete three tasks in eight minutes. The teams novel approach was a drill powered hexagonal vehicle that unfolded to a full three feet in diameter. The judges were amazed how efficient their use of space was and how novel their overall engineering approach was.

With any Odyssey of the Mind competition, the story is nearly as important as the technical solution itself. The team picked a civics theme in which the characters were rescuing a space alien who wanted to become an American citizen and helping him acclimate to the culture of his new home. The students were transformed into these characters with the use of giant paper mache helmets that the team created, painted, and accessorized with glitter (a must see in Dr. Bruckmeyer's classroom). Sammi Sanchez said that "if you don't use enough duct tape and hot glue, then nothing will work." If her words are accurate than they efforts were certainly rewarded. We are proud to continue a long history of success as the Odyssey of the Central Mind expands into next year.

The team performed amazingly well at the state competition and placed fourth in the state in spite of the loss of a team member at the last minute due to an injury.

Please make sure student follow the Gradventure Dress Code: School Spirit Shirt and proper shoes. School appropriate pants/shorts are required!

CMS Annual “**Blue Day**” in support of all of our students on the **Autism** spectrum.

ATTENDANCE POLICY

A student who is absent more than nine (9) days within a semester is in jeopardy of not receiving a passing grade for that semester.

Excused absences include:

1. Court Dates
2. Illness with medical documentation, *which are turned in within 5 school days after returning from absence.*
3. If your child is absent without a medical excuse, a parent must send a note for documentation of the absence, but please know that a parent note still counts toward the nine days, but changes the absence from unexcused to parent note.
4. Chronic or Extended Illness:
 - * The form is available through the school clinic and *must be completed every year.*
 - * The form must be completed by your doctor and the county nursing supervisor for your school.

Central Guidance

Summer is a great time to take an online course through Brevard Virtual School. It's a great opportunity to get a head start on your high school credits by taking an elective. Taking an online course this summer will satisfy one of your graduation requirements. If you are interested in taking an online course through Brevard Virtual this summer, stop into guidance and see your counselor for the best course for you to take.

If you are a current 7th grader and did not return your blue elective sheet, please do so now. Counselors are in the process of working on schedules for next year. If you don't return your selections, counselors will select your electives for next year.

BLOCK
PARTY

FRIDAY,
MAY 17TH

Friday the 17th
Calvary Chapel

has graciously offered to host a Block Party from 2-4PM on Football Field for CMS students and faculty/staff. Food, Drinks, and Games will be provided! Students not on the "No Go" list in the dean's office may attend.

From the Classroom to the Living room

With the end of the year quickly approaching, State Testing, and Exams, nerves may be at an all-time high! Our guidance department wishes to include a few good tips to relieve the stress as it builds...and as always, Keep Calm and manage your time

Semester Exam Success Tips:

- ❖ Help your child develop a system to keep track of important papers
- ❖ Make sure your child has—and uses—a planner to keep track of assignments
- ❖ Encourage your child to estimate how long each assignment will take
- ❖ Help your child break big projects into smaller ones
- ❖ Communicate with teachers
