

Senior Cap Decorating Guideline

- We encourage seniors to decorate their cap with a theme on what they are planning on doing after graduation.
- Decorations cannot contain any advertisement, symbols, abbreviations, initials, words, slogans, patches, or pictures that refer to drugs or controlled substances, tobacco, alcohol, weapons, or be of a sexual and or violent nature.
- Decorations cannot denote an affiliation with gangs or advocate drug use, violence, illegal activity, or disruptive behavior that is detrimental to the safety and welfare of other students.
- Decorations cannot be obscene, profane, vulgar, or lewd.
- Decorations cannot include numbers other than the graduation year.
- Decorations cannot threaten the safety or welfare of any person.
- Decoration cannot make noise. No bells, horns, or anything that makes noise is permitted.
- Only the flat, top area of the mortarboard may be decorated.
 - There may be nothing hanging down from any of the sides of the cap except for the school tassel.
 - The decorations cannot exceed the height of 1 inch off the top of the mortal board.
- Seniors are encouraged to take a picture of the cap and submit it to the senior class sponsor to determine that the cap falls within these guidelines.
- Decorated caps that do not follow these guidelines may not be worn during the graduation commencement ceremony. We will provide an undecorated cap to any senior who violates these guidelines so that they can participate in the ceremony. The cap must be returned after the ceremony or the student will owe a cap fee of \$5.50 and their high school diploma will be held until the fee is paid.
