Principal's Message

Dear Freedom 7 families,

We heard great reviews about our school-wide virtual assembly last month. The teachers, kids, and parents all had great things to say about the Extreme Science presentation. A big shout out to our APT for organizing such a wonderful event that was aligned to achievement and brought such fun for EVERY ONE of our students! It perfectly supported the work our 4th-6th graders are doing with their Science Fair projects!

Are you ready to ***Make it a December to Remember?*** We are! Everyone is ready for a little joy and happiness and we are working on a few ways to bring us together...even if it is virtual or by far. Here is the line-up of happenings!

December 15- Elearner Materials Pick Up/ Item Drop Off and Picture Re-Takes (for all)!

If you have decided to keep your child home beyond the holiday break, you will want to stop by from 9:15-10:30. We will also take pictures of anyone who skipped or missed the last session. If not, please email a digital photo of your child in their Freedom 7 shirt with a neutral background. This is also a great time to drop off anything you would like to get to your teacher. Be sure your name and your teachers' name is on it!

December 16- Home for the Holidays Virtual Sing Along!

Get in your pajamas, gather as a family and join Mrs. Haag for a holiday sing along from your very own couch! You may find a few other surprises sprinkled in too! Look in your material pick up bag for some props. The fun begins at 6:00 PM. See you then!

December 18- Drive-by Holiday Parade and Spirit Day!

Schoolwide Holiday Dress for ALL! Wear your hats, holiday shirts, socks! We would love to have our elearners participate in our drive-by parade from 1:15-2:00. Show your holiday spirit by decorating your car, wear your favorite holiday clothes and drive by playing your favorite holiday music! Our in-person students will be socially distanced along the perimeter of campus to view the parade and wave to their virtual buddies! Please see the map and more information in this newsletter. Be sure to drive the whole path so you don't miss your friends.

Elearning parents: Please respond to this short survey about next semester. We want to be ready for any and all students who are planning to return to the school in January! <https://forms.gle/pRVcovLEKeERsg4b6>

We hope you will join in on some or ALL of the fun! It is our goal to keep our community strong during these unique times.

I wish you more...

Art Newsletter

Freedom 7 Artists are **thinkers**! Artists come up with their own ideas, research, and solve problems creatively. We have been working on this IB learner profile trait. I wonder what your artist will plan, sketch or think about before starting a new piece of artwork?

Freedom 7 Artists are thinking about how to solve the problem of the holiday seasons looking and feeling differently. Many artists have uploaded artwork to the Arstonia website to share their artwork with others. Please log in to artsonia with the below code to view artwork. If there isn't artwork uploaded, your artist is still working. Email me directly if you have difficulty accessing your artist's account.
