

EFSC orientation now available

The online EFSC orientation is now available. ALL EFSC students (regular Dual Enrollment, Collegiate High School, Early Admission) that need that need to complete an orientation will use the same orientation for the time being. See below.

Good news! The **online** Dual Enrollment Orientation has been launched. Dual Enrollment students and Collegiate High School students will use the same orientation for now. The link is on the EFSC dual enrollment webpage. Students will now be able to complete this requirement online and the dual enrollment **Orientation** hold will be removed from their EFSC record. <https://www.easternflorida.edu/admissions/dual-enrollment/>

To complete the Online Dual Enrollment Orientation:

- [Log into the myEFSC portal](#)
- Find the EFSC Student Applications section (On the left on a desktop computer)
- Click the down arrow on the Applications menu; scroll to "Dual Enrollment Student Orientation" and click "Launch"
- Read the information carefully and answer the questions correctly at the end of each section to move forward in the presentation.
- When you have completed all sections, click the Sign Out button.

The Orientation is divided into 7 sections. Students must read the section and answer several questions correctly before moving to the next section
