

Online ACCUPLACER to take the Place of PERT for the While

Great news for high school students needing a placement test for dual enrollment. ACCUPLACER is now available using a remote process through Examity. For the while this will replace the PERT so if you need the whole test or a section to retake this is what you will use.

The Remote Virtual Testing Registration Steps along with other related testing information can be found at: <https://www.easternflorida.edu/admissions/placement-testing/college-credit-placement-testing/remote-process.cfm> Students should also review the EFSC Remote/Virtual Testing Policy that is linked on this page.

Please note that Examity currently charges the student \$20 to administer the Accuplacer and the fee is payable directly to Examity. We anticipate the company may increase the charge to \$25 in mid-June. If the student is retesting, the EFSC retest fee will also be placed on the student's EFSC account.

Please contact your School Counselor if you have any questions.
