We had a great beginning to the school year! It was great to see so many students back in the building and hear about their summers.

While Covid is still alive and well, we are truly going full speed ahead with academics. Our teachers and staff are still using many of the health and safety protocols from last year, while working with students. We are very excited for this new school year. We are planning many in-person and virtual family events. We will make decisions about that as we get closer to the actual date. As of now, we are planning for an in-person Open House on September 23rd. If this changes, we will let you know asap.

We are looking for parents to join our School Advisory Committee. This group meets once a month and we plan on doing in-person and virtual meetings. We discuss school improvement initiatives and make decisions regarding the school budget. I would truly love to see more parents involved in the decision making here at Turner. We also have translation services available for these meetings. Please email Crabb.Jennifer@brevardschools.org if you are interested.

Please feel free to contact me with any questions or concerns.

Dr. Ashley Toll

2021-2022 School Hours:
8:00 am-2:30 pm

Early Release days:
Friday @ 1:15 pm

Office hours:
7:15 am-3:45 pm

August 25 – Domino's Spirit Night

Translated newsletters are available upon request.

If you are unable to attend a Title I meeting please contact Megan Arnold at 321-676-5700 ext. 52257.

PreK—Our littlest tigers, VPK-PreK start Tuesday August 17. We are excited to start the school year off!

Kindergarten—Kindergarten has been busy making new friends! We are also learning new routines and procedures for the year.

First Grade—First grade is off to an amazing start this school year. Our students entered the classroom and were eager to unpack supplies and learn their classroom expectations. We are meeting new friends in addition to connecting with familiar faces. First grade is excited for the year ahead. We ask parents to please connect with their classroom teachers on Class Dojo and to check folders daily. We also encourage all of our students to bring a water bottle and a small snack daily. Our first grade teachers are ready for a collaborative school year building connections between school and home.

Third Grade—Third grade is off to a great start! Math homework has started coming home. The first page of the homework is a "homework helper" page. It is there to show you as the parents the strategies students were taught in class that day so you can better help your child. Reading homework will be sent home later this month so be on the lookout for that. Please let your student's teacher know if you have any comments, questions, or concerns. We look forward to a great year!

Fourth Grade—Students have settled into the new school year, and we are off to a great start! We are excited to be with our students and look forward to seeing the growth they will make in the first grading period. Please send in any papers that were to be signed and returned. If you have any questions, please reach out to your child's teacher.

Fifth Grade—Fifth grade is excited to start a brand new school year! This year fifth grade is departmentalized, this means that students have teachers for each subject. Mrs. Kline is teaching Science and Social Studies, Mrs. Burbank is teaching ELA, and Mr. Hutson is teaching math. The students stay in their homeroom all day and the teachers move from class to class. If you have not already done so, please join the 5th Grade Class Dojo to stay up to date with all things 5th Grade. We are looking forward to a great year!

Sixth Grade—Sixth grade is off to a great start! We began the new Savaas curriculum this week and we began reading, Lemony Snicket's A Series of Unfortunate Events. Please remember to bring in a 1 inch binder and composition book for ELA if you haven't already done so. We are happy to have students back in the classroom and we're looking forward to this school year.

Music—We are off to great start this school year. Students are learning to be safe, polite, cooperative, responsible, and kind while using the Quaver Five. The Quaver Five is a keyword because it helps set the tone for class behavior at the outset of the school year. Our topic in music class this month is GOOD LISTENING. Students will be listening to various pieces of music. Students will develop effective learning strategies that will help them appreciate music. Our first piece is called, "Olympic Fanfare." Please ask your child what they learn in music. I look forward to a fun, amazing, creative, and safe 2021-22 school year!
