September 2022

From the Admin Team

Dear Apollo Families,

Thank you for your patience as this new year has begun. We have had a fantastic start to the 22-23 school year! Thank you all so much for entrusting your children to us. We take great pride in teaching them and partnering with you so they will have the best educational experience possible while at Apollo.

All the students are getting acclimated to their new classrooms, teachers, friends, and schedules very quickly. Even our youngest students already know their way around campus. They have learned rules for their classroom, hallways, playground, activity times, etc. It's truly exciting to see their eyes light up during lessons as they explore, create, and demonstrate all they can do!

Each month, as close to the 1st as possible, we will be sending out our newsletter to all families. Our purpose is to share highlights about the previous few weeks, give information about upcoming events for the month, and brag about a few teachers and students along the way.

The Apollo Administration Team is here to serve our families. Always let us know if we can help with anything.

Title 1

Apollo's Title 1 Team would like to introduce themselves to you. Ms. Reitz is our Title 1 Activity teacher in the STEAM (Science, Technology, Engineering, Arts and Math) lab. She sees students for forty minutes weekly in the lab. Our Reading Coach is Mrs. Gross. Our Title 1 funds pay half of her salary, and the other half is paid by the district. Apollo also has a Team of energetic Interventionists who will serve students most at-risk for academic failure. Our team consists of two teachers: Mrs. Thibideau and Mrs. Thornton and four Instructional Assistants (IAs). Our four IAs are Mrs. Carlson, Mrs. Skarphol, and Mrs. Wheeler. We are looking for one more IA to join our team. If you are interested in helping kids succeed, please call the front office or apply through Beacon on the Brevard Public Schools website. Together we will soar like eagles!

Thank you to all our business partners!!!
