

STUDENT PICK-UP POLICY

The pick-up place for students, at any time throughout the day, is the main entrance only. If a student is being picked up before 3:00, you may wait for your child in the traffic loop at the main entrance. If it's between 3:00 and 3:15, parents will have to wait outside of the fence in the grassy parking spaces as the gate is locked at 3:00 for the safety of the buses. Students leaving early will sign out from the attendance office and show their stamp to the main office as they leave.

We ask that requests to dismiss students between 3:15 and 3:30 not be made.

Finally, if students are bringing notes to school for early release, they must take the note to the attendance office before school. Students are not to bring the note "on the way out the door."
