School Calendar 2019-2020

- The School Board will be approving next year's calendar at tomorrow's School Board meeting (begins at 5:30). You can watch on TV or view online usually the day after the meeting.

Staffing and Title I

- Our school projection for next year is 800 students.
- The required percentage for Title I may be moving up to 67%. This % comes from the % of students we have on Free/Reduced lunch.

Multicultural Night

- Thursday 2/28 5:30-7:30; Book Fair will be open during the event.
- Students and their families can tour the countries for each grade level.
- PTO gave each grade level \$50 to use for food for the event; Title I is funding \$100 per grade for crafts for the make and take. This comes from our Title I Parenting Budget.

Other items added after printing:

- Mrs. Campbell (new School Board Member) visited Sunrise. Two of our Sixth Grade Student Leaders took her on a tour of our school. She liked how our students know they are to walk on the 2nd tile and liked our 3 Sunrise Standards (Be Safe, Work Hard, Be Nice).
- Literacy Week went well. We gave out some free books for our Caught Reading drawing. The Book Fair will be set up on 2/21
- Yearbooks go on sale today.
- Upcoming Valentine's Dance for students and families, sponsored by our ESE team.
- iReady certificates were given out for our recent Reading and Math Diagnostic Assessments (Highest Score and Highest Gain for Reading and also for Math). PTO donated the money for the snacks for all students who gained at least a point. PBIS tokens were also given out to students who went up in their score.
- Lockdown Drill - Teachers have been asked to check that their intercom works/they can hear announcements.
 - Kelly Kervin asked what the protocol is for classes on their way to activity when a Lockdown happens. Answer: They go inside the closest classroom.
 - Eddie Fisher asked what happens when there is a sub and we have a lockdown. Answer: Subs are given a folder with instructions for emergencies. Door Partners also check on the class next to them to make

sure everyone is following the procedures. Grade Level Chair teacher should also be checking with subs in their grade level to make sure they know what is going on and what to do.

- Mr. Pichard will not be here for our March SAC meeting due to District Science Fair. Mrs. Campione will be filling in for him.

Next meeting: March 11, 2019 @ 2 PM
